## Report of School Board.

---

The School Board submit the following report for the year ending February 15, 1907.

EAST SCHOOL.—This school was taught by Miss Harriet H. Russell, of Boston, Mass. She has maintained her previous reputation as a teacher.

SOUTH SCHOOL.—This school was successfully taught by Miss Edna M. Hardy, of this town.

WEST SCHOOL.—The spring term was taught by Miss Alice J. D. Sanborn, of this town. This was her first experience in teaching. Her methods were easy, and she gave promise of being a successful teacher. The fall and winter terms were taught by Miss Marion G. Elkins, of Amesbury, Mass. Her methods of teaching were satisfactory to the Board, and the school showed good progress. We were fortunate in having the same teachers as last year in the East and South schools, as experience counts in teaching.

We believe it to be the duty of the teachers to make good rules for government of the schools, and all should be made to obey. It does not necessarily follow that, because a teacher is popular with the pupils, she is doing the best work, or that one who is not as well liked, may not be the better teacher. If the pupils were more prompt and regular in attendance our schools would be greatly improved.
